2006 REGISTRAR'S REPORT

This past year was one of enormous growth for WISC's outdoor recreational and competitive programs. For the first time ever, our numbers passed 5,000 with a total of 5,495 players (4,882 recreational, 613 competitive). This number represents an overall increase of 12% over our 2005 numbers with the micro program (U4 to U6) alone showing a huge increase of greater than 20%! Unfortunately, despite doubling up usage on our lit fields with 7 & 9 pm games, plus increasing the number of mini fields, we were still unable to accommodate everyone who wished to play soccer, with approximately 250 players left on the waiting list.

Our 2005/2006 indoor program had 865 registrants, while as of Oct. 21 there were approximately 925 players registered for the 2006/07 Indoor program, an increase of approximately 7%.
