Players Selected for the U7 All Star Program:

The following player numbers (followed by player initials) have been selected to participate in the All Star Program. A fantastic effort was put in by all players and we look forward to seeing those not selected continue to develop through the house league program and Weekend Player Development Clinics. September U8 tryouts are only three months away.

What is U7 All Star Soccer?

The purpose of the All Star Program is to increase the skill level of the players and to prepare them for the transition to the Competitive Program. Players will play on both their house league team and the All Star team. These players will receive an additional practice a week with the Club's Technical Staff, an All Star uniform and the season culminates on September 26 at the Whitby Iroquois All Star Tournament.

The program will also offer the opportunity for exhibition games and tournaments (dependant on availability).

Player Selection:

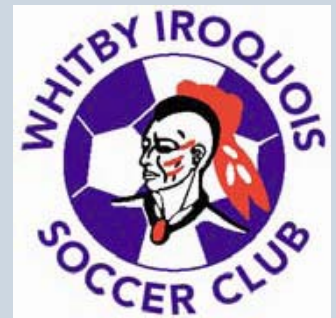

Players attending tryouts will be assessed by the Club's Technical Staff with selections posted within 48 hours of the final tryout.

Cost:

Players who are selected will pay \$150 to be part of the Program.
